**SENATE BILL**

**No. 1063**

**Introduced by Senator Block**

February 18, 2014

---

An act to add Section 2105.7 to the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

SB 1063, as amended, Block. Voter registration: juvenile detention facilities.

Under existing law, a person is entitled to register to vote if he or she is a United States citizen, a resident of California, not in prison or on parole for the conviction of a felony, and will be at least 18 years of age at the time of the next election.

This bill would require state and local juvenile detention facilities to identify individuals housed in those facilities who are of age to register to vote, to provide affidavits of registration to eligible voters, to assist those individuals with the completion of the affidavits of registration, and to transmit completed voter registration cards to the county elections official or to assist individuals in returning the completed cards to the county elections official.

By requiring local officials to perform additional duties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
